

TOOGOO LA WAH STATE HIGH SCHOOL

15 May 2020

Dear Parents and Carers,

RE Term 2 Week 5 Update

The Queensland Government has confirmed today that students in Years 2–10 will return to school on **Monday 25 May, 2020**.

This announcement means that from 25 May, all of our students can return to school. I join our entire school team in warmly welcoming your child back. We have missed them.

From this date, teachers will be teaching face-to-face within the classroom environment. Teachers will not be expected to lead dual (face-to-face and home-based) modes of teaching and learning. If you choose to keep your child at home, you remain responsible for their supervision and their learning.

The decision to return to school for all Queensland students is supported by Queensland's Chief Health Officer and aligns with progressive easing of restrictions as part of the Government's response to COVID-19.

[Advice](#) from the Australian Health Protection Principal Committee (AHPPC) states that physical distancing is not required for students during classroom activities. However, it is still required between adults. I therefore ask parents and carers to pay particular attention to the requirement for adults to maintain physical distancing of 1.5 metres at all times while on school grounds.

Please do not gather in areas around the school such as carparks, at the school gate or outside classrooms. In addition, please make use of our stop, drop and go area wherever possible.

On behalf of all staff, I sincerely thank you for your patience and support over recent weeks and months. The positive feedback from our school community and the willingness of parents and carers to partner with us in support of your children's learning, has been greatly appreciated.

Year 7 to 10 Snapshot of Student Work for Term 2 Week 5

Our staff have developed learning programs for week 5 of Term 2 and I ask all parents to be familiar with the information sent home by the school. A screen shot of the snapshot is included below. If parents have not received an email, information regarding the learning programs and our expectations for students can be found on the school website at

Year 7 to 10 Weekly Tracking of Student Progress

Teachers are keeping evidence of student work and keeping track of how students are progressing with weekly set tasks. Parents will be informed if students are not making progress on weekly tasks.
